Dear A. O. \*

Actually you don't qualify as an octogenarian until you start the 81<sup>st</sup> year, according to the TV program I saw a few weeks ago wherein the last presidential election in the 20<sup>th</sup> century is 2000, not 1996. But we will not press this point. Henni doesn't look more than 60, and even less. And Alzheimer never encountered his like.

I am taking a bus in the A.M. of  
Tu. Oct. 14 to arrive by taxi at the  
Ternianka Castle by ~ noon. I expect to  
stay at a motel that nite, or even perhaps  
in the Ber. Wilshire, as this is handy to  
taking a bus back the next A.M.  
Love

\* Unbelievable Octoguanian.
